

## Feedback from Art of Networking Workshop For MSAE and MML

### **Greatest Single benefit derived from this workshop was:**

Entering & exiting the conversation

Refreshed some of my skills

How to learn to be yourself and ask questions

Meeting new people

Self introduction- ask don't tell

The four steps and the info/tips about joining a group

Learning the reason I connect so well with people is that I ask rather than tell!!

Effective networking

New thoughts and ideas as to general communication

The box step

Get to know you questions

A graceful exit phrase (to get someone to go away)

Reinforcement of strategy

### **Anything else you would like to say:**

Great information and presentation. Definitely worth it!

Excellent presentation. I had no problem staying awake!

I need to learn more about breaking the ice

Good presentation!!

I really enjoyed you and the seminar!

The total program was enlightening! Added to my personal endeavors with positive effect!

Thanks! Your presentation style is fun and funny
